

## INDIAN INSTITUTE OF TECHNOLOGY PATNA

Symposium on  
Modeling and Computation  
On  
April 9<sup>th</sup> 2016

(Supported by National Mathematics Initiative)

Indian Institute of Technology, Patna is organizing a *Symposium on Modeling and Computation* on April 9th 2016 under auspices of National Mathematics Initiative (DST), IISc Bangalore.

### AIM:

The diversity and application oriented nature of this discipline always attracts scientists and researchers. Both modeling and computation rely on computers and available software. With fast pace of development in computing facilities, keeping oneself abreast of the recent state of the art development is essential. These symposium aims on bringing renowned speakers gather at one place and discuss about the current trend in modeling and simulations.

### TARGET AUDIENCE:

Post Graduate Students, Research Scholars, Post Doctoral Fellows and Young Faculty Members.

### INVITED SPEAKERS:

Prof. G. Ranagrajan (IISc, Bangalore), Prof. A. S. Vasudev Murhty (TIFR Bangalore), Prof. S. Sundar (IIT Madras).

### CONVENERS:

Amit K. Verma (IIT Patna), Prashant K. Srivastava (IIT Patna)

### PARTICIPATION:

To apply for participation send abstract/application to [akverma@iitp.ac.in](mailto:akverma@iitp.ac.in) before deadline.

Registration Fee: **Rs. 2000/-** (inclusive of kit, boarding and loading for one day)

Last Date of receipt of application: **April 2<sup>nd</sup>, 2016**

Confirmation of participation: **April 3<sup>rd</sup>, 2016**

### CONTACT:

Dr Amit K. Verma,  
Department of Mathematics,  
IIT Patna- 800013, Bihar, India,  
Email: [akverma@iitp.ac.in](mailto:akverma@iitp.ac.in)  
Phone: 09413789285, 08765184102.
