

भारतीय प्रौद्योगिकी संस्थान पटना
INDIAN INSTITUTE OF TECHNOLOGY PATNA

बिहटा, पटना-801106, बिहार, भारत
Bihta, Patna – 801 106, Bihar, INDIA

E-PROCUREMENT MODE

Tender Reference No.: IITP/R&D/793/ESL-01/2023-24
E-tender for Supply of Bi-Axial Servo Hydraulic Shake
Table.

Documents to be submitted online only

भारतीय प्रौद्योगिकी संस्थान पटना
INDIAN INSTITUTE OF TECHNOLOGY PATNA

बिहटा, पटना-801106, बिहार, भारत
Bihta, Patna – 801 106, Bihar, INDIA

Tender Reference No.: IITP/R&D/793/ESL-01/2023-24

Date: 19/05/2023

Indian Institute of Technology Patna is in the process of purchasing following items(s) as per the details as given as under:

Name of the work	Supply of Bi-Axial Servo Hydraulic Shake Table.
Earnest Money Deposit	₹ 1,00,000 (Rupees One Lakh Only)
Warranty	03 (Three) Years
Delivery Schedule	04 (Four) Months
Online EMD Submission: Bidder can submit their EMD online by visiting below link: https://www.onlinesbi.com/sbicollect/icollecthome.htm?corpID=1968961	
Note:- Tender (ATE/LTE) Reference Number should be mentioned for the purpose of EMD submission. State- Bihar, Type of Institutions- Educational Institutions, Educational Institutions Name- I I T PATNA RESEARCH AND DEVELOPMENT UNIT, Payment Category- EMD (Research and Development Unit). EMD-MSMEs are exempted from the payment of EMD with submission of proper exemption certificate	
Submission of Bids Online: Interested parties may view and download the tender document containing the detailed terms & conditions from the website: https://eprocure.gov.in/eprocure/app	

1. Detailed Tender Documents may be downloaded from Central Public Procurement Portal (<https://eprocure.gov.in/eprocure/app>) and from our website (<https://www.iitp.ac.in/>).
2. All details /document pertaining to the tender such as tender document, pre-bid report, corrigendum and any further updates will be available only on our website & also at CPP Portal.
3. **No manual bid will be accepted. All quotations (both technical & financial) should be submitted in the e-procurement portal only.**
4. IIT Patna shall not be responsible for non-receipt of bid due to internet issues or any other reasons.

CRITICAL DATES

Publishing Date	19.05.2023 (05:00PM)
Document Download / Sale Start Date	19.05.2023 (05:00PM)
Bid Submission Start Date	19.05.2023 (05:00PM)
Last Date & Time of Submission of Bids (Technical & Financial Bid)	12.06.2023 (04:00PM)
Opening Date & Time of Technical Bids Online	13.06.2023 (04:30PM)
Address of Communication	The Registrar (for R& D Unit), Indian Institute of Technology Patna Kanpa Road, Bihta, Patna, Bihar-801106 Phone: 06115-233-067
For taking technical assistance regarding bid submission, if any	CPP Portal Website: https://eprocure.gov.in Help Desk Number 0120-4200462, 4001002, 4001005 and 4001005.

REGISTRAR, IIT PATNA

Key Specifications for Bi Axial Servo Hydraulic Shake Table

1. Table:

- Shake table rated for 500 kg payload capacity at acceleration 1g.
- Table dimension: 1.0 meters x 1.0 meters
- Table should be designed for horizontal acceleration of 2g max
- Table must be designed for operating Peak velocity: 0.6m/s, Sustain velocity: 0.5m/s
- It should be designed for high stiffness with minimum value of 100kN/mm and operating frequencies up to 70Hz.
- The vendor should design the table with natural frequency at mode 1 more than 100Hz and report should be submitted along with the tender.
- Overturning moment should be 3T.m; torsional moment 1T.m
- Centre of gravity should be up to 1 meter from the surface of table with horizontal eccentricity less than 1m
- Table should be designed for Bi axial movement along X-axis and Y-axis.
- Table should be mounted on preloaded linear bearing with co-efficient friction of 0.05. Preferred make Hiwin, catalogue should be attached along with technical bid.
- Reaction frame should be grouted on seismic mass for vibration isolation
- Mounting holes provision -M12 STD thread on the table at 100mm pitch should be there for installing test components on the table
- Necessary grouting provision should be provided.

2. Servo hydraulic actuators for X and Y axis.

- Suitable load capacity (10KN or above) servo actuator of fatigue rated double acting, double ended equal area type
- Actuators should be provided with all required clamping devices to connect to the reaction table
- $\pm 100\text{mm}$ (total 200mm) displacement with built in digital stroke measurement with resolution of 1 micron or better and accuracy of $\pm 0.5\%$ or better, preferred make Temposonic. The sensor should be standard one used in previous supply and reference needs to be provided along with technical document.
- High side load carrying capabilities with hydraulic cushions at both ends
- Should can achieve test frequencies up to 70Hz
- Suitable flow rated (minimum 40LPM) direct drive servo valves for contamination insensitivity operation, preferred make Bosch/Parker/Moog to conducting seismic study tests at frequencies up to 70 Hz

3. Hydraulics and Accessories.

- Vendor should have to supply suitable hydraulic hoses of length at least 10 m from Tapping point to shake table distribution point, the distribution manifold must be supplied with min 10l hydraulic accumulator bank. The distribution manifold with start-stop valve should be supplied to connect existing HPU with the accumulator. All hydraulics and accessories should be compatible with existing HPU at IIT Patna.

4. Accelerometer: 04 No's

- Max acceleration 2 g
- Compatible with offered controls and shake table system
- D-Type Connector
- With required Lap cables.

5. Control Electronics:

- Digital Signal Processor (DSP) based closed loop servo controller with multi station control capability
- 24 bit Control Electronics with 32 bit Data Acquisition are minimum requirements
- Data sampling rates of 6kHz or better
- Data loop update frequency 6 kHz or better
- Digital Input and Output lines min. 16 Nos.
- 4No of Control channels for servo-hydraulic actuators (compatible to 2 and 3 stage servo valve configuration).
- Configurable ADC Channels 16 Nos or more.
- 8 Strain Channels (120/350 Ohm quarter, half and full bridge strain gauges)
- 8 High level channels with +/-10V (Accelerometers, LVDT, etc.)
- 8 Encoder Channels
- 8 DAC channels (Servo output or Signal output with voltage range +10V)
- Enclosure with wheels to house controller and PC should be provided
- Auto Calibration and Digital Auto Zero capability
- Easy Downloadable Firmware for Future Up gradations, without making any changes in the controller
- Controller should can conduct seismic simulation tests as mentioned above
- Electrical cables for displacement transducers, accelerometers, servo valves, each 5m long should be provided as minimum requirement.
- One emergency push button with 10m long cable should be provided.
- Watchdog timer for safety trip of hydraulics in the event of power trip or crash
- Adaptive control feature for auto tuning: Mean/amplitude, error/gain matrix, stiffness or servo-differential-feedback ratio correction
- All signal conditioners equipped with software programmable settings and auto recognition and auto calibration for strain bridges against built-in shunt settings in engineering units
- Seamless programmable mode transfer to switch between control modes
- User selectable and programmable filters (Butterworth, Chebyshev, etc.) for signal shaping
- Operation from 100-260 V 50/60 Hz single phase mains.
- Operational ambient temperature 10 to 55 deg C
- Two emergency push buttons one at Controller and one with 10 m long cable should be provided.
- Compatible for capturing data for remote health monitoring. Suitable to transmit machine usage, fault log and service history and to be quoted in optional.
- Supports cross platform web application interface to transmit online readouts like stroke, force and computed channels for remote test monitoring over Web or LAN. featuring

- a. Live online readout, Strip chart, Video streaming and Text Chatting option.
- b. Test information about specimen, batch, operator etc.
- c. Option to monitor machine on dashboard.
- d. Machine health monitoring for preventive maintenance.

6. System Software:

- Windows 11.0 based or latest version Software, facilitating basic operation of the system
- Software should be capable of conducting tuning of all control channels with PID gain control adjustment
- Should be capable of acquiring data from all channels
- Servo Loop Update and Simultaneous data sampling rate of min 6 KHz
- Automatic and Manual Settable Data Acquisition rates for different test applications
- Electronic Safety Limit (user settable) Interlocks on all control channels to protect Transducers and system from over loading and over travelling
- Safety interlock like, Over Temp of Oil, over and Under Pressure of oil, Emergency Stop, Filter Clog Indication, Power Failure Indication, Motor over load to be monitored by the software and should be displayed accordingly
- Should be capable of applying cyclic loads in different waveforms like Harmonic, Sine Sweep, Sine on Sine, Random
- Advanced graphics to view all feedback and set points on single and multiple graph
- Application software for remote access to system status and test status at various levels of management

7. Seismic Software:

- The application software should be able to Simulate the following waveforms:
 1. Harmonic (Sine, Ramp, and Pulse)
 2. Sine Sweep (Increasing, Decreasing)
 3. Sine on Sine
 4. Random (Natural: Recorded, User-defined)
- Automatic Adaptive control to be provided, if required stroke movement is not achieved
- Amplitude and mean input in terms of displacement
- Frequency input in terms of 'Hz'
- On-line cycle count computation
- Resonance search
- Plot of Amplitude and Phase spectrum
- Test termination conditions include limits on number of cycles to stop
- Online graphics include choices of plots amongst actuators feedback Acceleration feedback and all Log Channels selected
- If Data Recording option is selected data will be logged for every specified interval in terms of cycles
- Test Data from Log channels can be exported to MS-Excel as spreadsheet

8. Personal Computer System:

- Pentium i5 Processor or later
- 500 GB Hard Disk Drive, GB RAM, 24” LED Monitor
- DVD writer, Key board, Mouse
- Windows 10 or latest operating system and MS Office.
- UPS for computer and controller

9. General Requirements & Qualification Criteria:

- Firm should have ISO 9001:2015 Accreditation.
- Vendor should have track record of Single, Bi Axial and multi axes shake table systems supplied preferably to government institutions or research labs minimum 10 machines in period of last 10 years.
- List of Servo Hydraulic shake table installation is desirable. If the firms submit list of any other systems or system made by any other company, they will not be considered.
- Vendor shall submit the list of such supplies made preferably to government institutions and research labs with user name and contact details with year of installation and PO copies for references.
- In any circumstance, if the institution wants to verify the previous supply details, vendor should be in position to arrange for it without hesitation
- A factory tour/technical presentation at any point of time during technical evaluation should be arranged by the supplier upon prior notice of one week.
- Vendor should make the delivery of system within 16-20 weeks from the date of receipt of purchase order. Vendor should provide detailed activity/delivery chart for the supply of the system with bid.
- Vendor should have track record in this line of business (minimum period of 10 years) of supplying Structural Actuators, Shaketables and control systems.
- Firm should have Single Source Local Service Support Facility in North-East India and should submit address and contact details
- Vendors should offer for Pre-dispatch inspection free of charge at their premises for 2 users for 3 days and onsite training to 3 users for 3 days after installation at our lab

INSTRUCTIONS TO THE TENDERERS

The tender shall be submitted in accordance with these instructions and any tender not conforming to the instructions as under is liable to be rejected. These instructions shall form the part of the tender and the contract.

1. For Online Bid Submission as per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL:<http://eprocure.gov.in/eprocure/app>). The bidders are required to submit copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates.
2. More information useful for submitting the online bids on the CPP Portal is available/ obtained at [URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)
3. For Registration, Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL:<http://eprocure.gov.in/eprocure/app>) by clicking on the link *”Click here to Enroll”. Enrollment on the CPP Portal is free of charge.
4. Foreign Bidders have to refer “DSC details for foreign Bidders” for Digital Signature Certificate requirements which comes under Download Tab at <http://eprocure.gov.in/eprocure/app?page=Standard Bidding Documents &service=page> and the remaining part is same as above and below.
5. While submitting the tender, if any of the prescribed conditions are not fulfilled or are incomplete in any form, the tender is liable to be rejected. If any tenderer stipulates any condition of his own, such conditional tender is liable to be rejected.
6. IIT Patna reserves the right to reject any tender/bid wholly or partly without assigning any reason.
7. The technical committee constituted by the IIT Patna shall have the right to verify the particulars furnished by the bidder independently.
8. Tenderer shall take into account all costs including installation, commissioning, cartage etc. for giving delivery of material at site i.e. IIT Patna before quoting the rates. In this regard no claim for any extra payment for any reason shall be entertained.
9. The item should be delivered at IIT Patna, Kanpa Road, Bihta, Patna-801106, Bihar, INDIA and the supplier shall be responsible for any damage during the transit of goods.
10. All the tender documents & price bid to be uploaded as per this tender are to be digitally signed by the bidder.
11. Interested bonafide and reputed manufacturers/India agents (on behalf of their foreign principals) may submit Online bids for each of the above equipment along with all requisite documents and scanned copy of Tender Fee / EMD submission reference.
12. The Bidder(s) may note that ONLINE BIDS will ONLY be accepted. All the requisite supporting documents mentioned in the bid document should and must be uploaded On-line <http://eprocure.gov.in/eprocure/app>. The Bids sent through FAX, E-mail, by hand and/or by post shall not be accepted/ processed,in any case.
13. The bidders may submit duly filled and completed bidding document ONLINE as per instruction contained in the bidding documents. Incomplete bid shall be rejected. The conditions of tender shall be governed by the details contained in complete bid document.
14. In case, holiday is declared by the Government on the day of opening the bids, the bids will be opened on the next working day at the same time. IIT Patna reserves the right to accept or reject any or all the tenders.
15. The detailed instruction for Online submissions of bid(s) through e-Procurement module of Central Public Procurement of NIC, the bidder(s) may visit the following link:- <http://eprocure.gov.in/eprocure/app?=HelpForContractors&service=page> .

INSTRUCTIONS FOR ONLINE BID SUBMISSION

(Department User may attach this Document as an Annexure in their Tender Document which provides complete Instructions for on line Bid submission for Bidders)

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

- 1) Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrolment” on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID/ password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e- mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents

required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

SUBMISSION OF BIDS

1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

3) Bidder has to select the payment option as “offline” to pay the tender fee/ EMD as applicable and enter details of the instrument.

4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

9) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

GENERAL TERMS AND CONDITIONS

01. **Rates:** Rates quoted for indigenous items must be on F.O.R basis for IIT Patna, on DOOR DELIVERY Basis, with break up as per details given in BoQ.
02. **Validity** (Both Foreign & Indigenous): The validity period of the offer should be clearly specified. It should be at least for 120 days from the last date of submission of quotations.
03. **Warranty/Guarantee:** The material is quoted with a minimum onsite Warranty/Guarantee period of 03 years, after the date of delivery, installation and acceptance at final destination.
04. **EMD:** EMD should be submitted in the Institute's Account using i-Collect of SBI. The link is given below: (<https://www.onlinesbi.com/sbicollect/icollecthome.htm?corpID=1968961>)
05. **Delivery:** Unless otherwise stated delivery of goods shall be at IIT Patna and will have to be effected maximally within **04 (Four) months** from the date of issue of the Purchase Order. All aspects of safe delivery shall be the exclusive responsibility of the vendor.
06. **PAN, GST Certificates & TDS:** Scanned copy of PAN along with PAN of partners/owners (if applicable) and GST Registration Certificate in Form REG-06 must be uploaded with technical bid. Appropriate GST deduction at source will be applicable.
07. **Dealership Certificate:** Dealership certificate (in case of authorised dealers) and standard Technical literature on the offered products must be uploaded with technical bid.
08. **Performance Guarantee:** 03% in the form of Bank Guarantee/ Fixed Deposit of the total order value needs to be submitted for such period as to cover two months beyond the warranty period for any order for equipment's of more than Rs.1 Lakh. In case of non-submission of BG/FD, an equivalent amount will be retained while payment till the above mentioned duration.
09. **Late and delayed quotation:** Late and delayed quotations will not be considered. In case any unscheduled holiday occurs on prescribed closing/opening date, the next working day shall then automatically be the prescribed date of closing/opening of the quotation with no change in timing.
10. **Ground for Rejection of Quotation:**
 - (i) The quotations are liable to be rejected if the foregoing conditions are not complied with. The quotation should be complete in all respects if a firm quotes NIL charges / consideration, the bid shall be treated as unresponsive and will not be considered. The quotations shall be rejected if the information, on the outer cover of the bid, is not provided in the format given in the table in Page 1.
 - (ii) Either OEM or its sole representative is allowed to bid. In case both have bidden, the bid OEM will be valid.
 - (iii) If at any time of tender, cartelization is found, the bidding firms would be liable for legal action as per Ant-Competitive Practices (CCI).
11. **Payment:** Payment will be made within 30 days from the date of submission of Invoice after successful delivery and acceptance of goods at IIT Patna (successful installation in case of machinery, equipments or the likes) generally through RTGS / FUND TRANSFER. Following information must be clearly written in the uploaded bank details for RTGS / FUND TRANSFER: -
 - (a) Name of the Firm with complete postal address (b) Name of the Bank with Branch where the Account exist (c) IFSC CODE (d) ACCOUNT No (e) PAN (f) GSTIN
12. **GST Concession/ Exemption:** IIT Patna being an academic institute is entitled for availing Custom Duty Exemptions in terms of Notification No. 45/2017-Central Tax (Rate) Dated 14.11.2017, Notification No. 47/2017-Integrated Tax (Rate) Dated 14.11.2017 and as amended from time to time. **Please state clearly that this certificate is required.**
13. **Liquidated Damage:** If a firm accepts an order and fails to execute the order in part or in full, as per the terms and conditions stipulated in the Purchase Order, it will be open to the institute to recover the liquidated damages from the firm at the rate of 0.5% per week of the order value subject to a maximum of 10% of the order value. It will also be open to the institute alternatively, to arrange procurement of the required stores from any other source at the risk and expense of the defaulter firm/vendor, which accepted

the order but failed to execute the order according to the stipulated agreed upon. Defaulter vendor(s)/ firm(s) are also liable for blacklisting.

14. **Termination for default:** Default is said to have occurred
- (a) If the supplier fails to deliver any or all of the goods/ items/ services within the time period(s) specified in the purchase order or any extension thereof granted by IIT Patna.
 - (b) If the supplier fails to perform any other obligation(s) under the contract
 - (c) If the vendor, in either of the above circumstances, does not take remedial steps within a period of 30 days after receipt of the default notice from IIT Patna (or takes longer period in spite of what IIT Patna may authorize in writing), IIT may terminate the contract / purchase order in whole or in part. In addition to above, IIT Patna may at its discretion also take the following actions: IIT Patna may procure, upon such terms and in such manner, as it deems appropriate, goods similar to the undelivered items/products and the defaulting supplier shall be liable to compensate IIT Patna for any extra expenditure involved towards goods and services to complete the scope of procurement.
15. **Applicable Law:**
- (a) The contract shall be governed by the laws and procedures established by Govt. of India, within the framework of applicable legislation and enactment made from time to time concerning such Commercial dealings / processing, as may be applicable upon IIT Patna.
 - (b) All disputes are subject to exclusive jurisdiction of Competent Court and Forum in Patna, India only.
 - (c) Any dispute arising out of this purchase shall be referred to the Registrar IIT Patna, and if either of the parties hereto is dissatisfied with the decision, the dispute shall be referred to the decision of an Arbitrator, who should be acceptable to both the parties, (to be appointed by the Director of the Institute). The decision of such Arbitrator shall be final and binding on both the parties.
16. The acceptance of the quotation will rest solely with the **Director**, IITP, who in the interest of the Institute is not bound to accept the lowest quotation and reserves the right to himself to reject or partially accept any or all of the quotations received without assigning any reason(s).
17. **Important:** The **Director** may accept or reject any or all the bids in part or in full without assigning any reason and doesn't bind himself to accept the lowest bid. The institute at its discretion may change the quantity / upgrade the criteria / drop any item, at any time before placing the Purchase Order.
18. **Force Majeure:** The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- (i) For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
 - (ii) If a Force Majeure situation arises, the Supplier shall promptly notify IIT Patna in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
19. The in general Printed conditions of supply of the firm, if any, will not be binding on the Institute.
20. The bidders can quote only items with minimum 20% domestic value additional/local content. Local content means the amount of value added in India which shall be the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all custom duties) as a proportion of the total value, in percent. The bidders are required to furnish a self-certificate regarding the items meeting local content requirement, mandatorily mentioning following:
- a. Percentage of Local Content (exclusive of services such as transportation, insurance, installation, commissioning, training and after sales services support like AMC/CMC etc.)
 - b. Location(s) at which the local value addition is made
21. Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority in accordance with OM F.No.6/18/2019-PPD dated 23rd July, 2020 of Ministry of Finance, GoI.

TENDER ACCEPTANCE LETTER
(To be given on Company Letter Head)

To,
 The Registrar,
 (for Research & Development Unit)
 Indian Institute of Technology Patna
 Kanpa Road, Bihta, Patna, Bihar-801106
 Phone: 06115-233-067
 Email:dr_rnd@iitp.ac.in

Sub: Acceptance of Terms & Conditions of Tender.

Tender Reference No.: _____

Name of Tender / Work:-

Dear Sir/Madam,

1. I / We have downloaded / obtained the tender document(s) for the above mentioned "Tender / Work" from the website(s) namely:

 as per your advertisement, given in the above mentioned website(s).
2. I / We hereby certify that I / We have read the entire terms and conditions of the tender documents from Page No. _____ to _____ (including all documents like annexure(s), schedule(s), etc.), which form part of the contract agreement and I / we shall abide hereby by the terms / conditions / clauses contained therein.
3. The corrigendum(s) issued from time to time by your department / organizations too have also been taken into consideration, while submitting this acceptance letter.
4. I / We hereby unconditionally accept the tender conditions of above mentioned tender document(s) / corrigendum(s) in its totality / entirely.
5. I / We do hereby declare that our Firm has not been blacklisted / debarred by any Govt. Department / Public Sector Undertaking.
6.
